FOR IMMEDIATE RELEASE

Oct. 30, 2000

ZyQuest is rated 54th in The Inc. 500 - *Inc.*'s Annual List of America's Fastest- Growing Private Companies for the year 2000.

De Pere, WI - Information Technology consulting company ZyQuest, Inc., has been named as one of the 500 fastest growing companies by *Inc.* magazine.

Each year in mid-October, since 1981, *Inc.* has named the fastest-growing small privately held companies in America. When companies first make the Inc. 500, they generally aren't household names - but some go on to become them. Study the research, and you'll learn that Inc. 500 companies can and often do have a lot of staying power. They may be found in almost every industry of our new economy, particularly those that have blossomed in recent years. One thing's for sure: As new markets continue to emerge, Inc. 500 companies emerge with them.

ZyQuest, Inc., is a full-service information technology consulting company offering a broad range of IT services, including staff augmentation, project management and outsourcing, Internet solutions, technical education and SAP services. While ZyQuest has focused on serving clients in the Green Bay-Fox Valley area during its twelve years in operation, ZyQuest also provides IT services to customers both nationally and globally.
