ZYQUEST HIRES LOUISVILLE ACCOUNT MANAGER

Green Bay, WI – Wisconsin-based IT company ZyQuest, Inc., has hired Karen Babcock as its first account manager in Louisville, KY.

“Louisville represents a wonderful growth opportunity for ZyQuest. Adding Karen to our team is an important step in establishing ourselves in this market. We feel she will be a terrific addition to the ZyQuest family,” said ZyQuest Executive Vice-president Joe Rosenfield.

As an Account Manager, Babcock will present ZyQuest services to diversified industries in the Louisville and Kentuckiana areas, matching the companies' information technology needs to candidates that possess the required experience and skill sets.

Babcock holds a BA degree from Notre Dame of Ohio and an Executive MBA from Jacksonville University. She has also earned the PMP (Project Manager Professional) designation. Before joining ZyQuest, she served in numerous Project Management and Operational Management roles for companies including Prudential Insurance and Financial Services, Prudential HealthCare, Victoria's Secret, and YRC Worldwide.

ZyQuest, Inc., is a full-service information technology consulting company with headquarters in Green Bay, WI. In business since 1995, ZyQuest offers a broad range of IT services, including staffing, project outsourcing, and software development, to customers in Wisconsin and around the country. ZyQuest is the only SAP Channel Partner in Northeast Wisconsin. For more information about ZyQuest, visit our website: www.zyquest.com.
